

Armchair

6011

The Lusty Lloyd Loom Model 6011 has been in production since the late 1920s and is still frequently copied, however, we believe that the original design, which graces homes, hotels, restaurants and cafes all over the world, is still the best. Although designed to fit around a table, with the seat at dining chair height, this extremely versatile & comfortable armchair will complement any room.

Designed by Jim Lusty circa 1920.
