

Armchair

65

The Lusty Lloyd Loom Model 65 has been produced since the very early years of Lusty's Lloyd Loom. With a higher back, a barrel fronted rail and a skirt, it has more formal, yet traditional, look. Lusty's have sold many of these to luxury hotels and homes around the world, where we have found the originals still in use, proving the durability and popularity of Lusty's Lloyd Loom furniture.

Designed by Jim Lusty circa 1930.
