

Armchair

8308OP

This chair dates from the earliest period of Lusty Lloyd Loom manufacture and was brought back due to popular demand. The skirt front has an attractive fitch-work, or open weave, pattern giving it a decorative trellis effect. The Model 8308 will enhance any room in your house. Designed by Jim Lusty circa 1930.

This design can be ordered with a loom skirt instead of the fitchwork. Contact us for details.
